Draft Bye laws

Rules and bye laws framed by the Anakere Town municipal council under Section 48(1),

(i) of the Abysone municipal regulation for enforcing information concerning the epidemic diseases among men and certain animals

Any person objecting to the proposed bye laws may within one month from the date of publication send his objection in writing to the President Town municipal council Anakere

(1) Every head of a family parent, guardian or nearest relative or owner or occupier or caretaker of a house or dwelling place shall on his becoming Cognizant of the occurrence of plague cholera or small pox or any such other disease that may be declared by the Government as an epidemic disease from time to time in such house or dwelling place among the members of the house or dwelling place ~~among other members of the house~~ or among persons who have come from other places immediately give information of the fact either personally or in writing to an officer of the municipality not below the rank of Sanitary Inspector or to the nearest police Station

Every medical ~~person~~ officer who treats or becomes Cognizant of the existence of any of the above diseases in any private dwellings other than a public Hospital shall give information of the same with the least possible delay to the said authority

Any person violating this byelaw without reasonable excuse shall, on conviction before a magistrate, be liable to a fine not exceeding Rs 10/-

2) Any person authorised by the municipal President or Vice President in this behalf may, on the advice of a duly qualified medical and Sanitary officer (not below the rank of a Sub assistant Surgeon) at any time without notice of his intention as shall in the circumstances appear to him to be reasonable, inspect any place in which any such infectious disease is suspected to exist and take such measures as he shall think fit to prevent the spread of such disease beyond such place and may remove from such house or dwelling place persons suffering from infectious disease and persons in contact with such persons without proper lodging or accomodation or who are lodged in a building occupied by more than one family to any hospital or place set apart for their due care and treatment, provided no compulsion is used in this behalf on any account

3) The person so authorised shall take steps to change such house or dwelling place to be temporarily vacated and forthwith disinfected or otherwise changed in the manner prescribed by such medical and Sanitary officers

4) No house or other building situated within the municipal limits shall be let to or permitted to be occupied by any person whom the owner or occupier thereof knows or has reason to believe to be suffering from any such disease dangerous to public health at the time letting or permitting without a certificate from the Medical and Sanitary officers as to the Sanitary condition of such house or dwelling place and as to the suitability of accomadation therein for the reception of such patient and no person shall let a building

part thereof in which he knows or has reason to know that a person has been suffering from any such disease without first having such building or part thereof disinfected to the satisfaction of the Medical and Sanitary officers

Any person infringing this bye-law without reasonable excuse shall, on conviction before a Magistrate be liable to a fine not exceeding Rs 5/-

II (i) On the occurrence of any case of Anthrax, or glanders or rinderpest or disease affecting horses, dogs, cattle, sheep, or goat, notice of the same shall be given by the owner or care taker of the affected animal on his becoming cognizant of such diseases either personally or in writing to the Veterinary Inspector Veterinary dispensary Anakere or to the Sanitary Inspector of the Town

(ii) The Veterinary Inspector of the Town shall, on receiving information of the existence of any such disease make necessary enquiries and if he is satisfied that the removal or segregation of the affected animal is necessary, require the owners to remove within a reasonable time such animal to any institution maintained by the Municipality for its cure and treatment or to keep it at such places as may be approved of by him On a report from the Veterinary Inspector that the destruction of any animal is necessary by reason of its suffering from such disease the animal may be destroyed with the consent of the owner

(III) Every place which is occupied by an animal suffering from such disease and every thing which may have come into contact with such animal whilst so suffering shall be immediately cleaned and disinfected at the cost of the owner in such manner as may be required by the Veterinary Inspector and if any such thing is in the opinion of that officer not susceptible of efficient disinfection he shall require it to be destroyed provided that for articles so destroyed such compensation shall be paid as the President or Vice President may after necessary enquiry consider reasonable

(IV) No stall or building occupied by an animal suffering from such disease shall be re-occupied until at least seven days after it has been so disinfected

(V) Whoever without reasonable excuse fails to remove any animal when required to do so under bye law no 2 or infringes the provision of bye law no 1 and 4 shall on conviction before a magistrate be liable to a fine not exceeding Rupees 5/
